Dear Mr. Wardle:

Your notice to conduct mining related operations on unpatented mining claim, Red Bone, UMC serial number 349585, located in NW $\frac{1}{4}$ , Sec. 1, T. 19 S., R. 14 W., SLBM, was received on March 18, 1994, and has been accepted by this office. Your notice has been assigned case file number UTU-070654. Please use this number in any future correspondence concerning this notice. Mr. Bruce Lindow's previous notice for mining related operations, serial number UT-057-30N, has been administratively closed and combined into this notice.

You have proposed active operations from April through October. During this time you are granted exemption from the 14 day stay out limitation now enforced on public lands, so long as your occupancy is reasonably incident to mining. Please be informed, apart from the camping trailers listed on your notice, no permanent nor semi-permanent structures are authorized and all facilities must be removed at the end of operations.

If you change your operation from what is described in your notice, please contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, required by the Richfield District, Warm Springs Resource Area. Please follow these guidelines as they pertain to your operation.

A copy of your notice has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file this notice with them. A copy of your notice has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). Prior to the commencement of the proposed activity, all appropriate state water quality permits need to be

obtained from the Utah Department of Environmental Quality,  
Division of Water Quality, located at:

288 North 1460 West  
Salt Lake City, Utah 84114-4870

You are required to report to this office, all hazardous materials associated with your operation along with information regarding their use, storage, transport, quantity, generation and disposal. Information regarding hazardous materials can be obtained from the State of Utah, Department of Environmental Quality, Division of Solid and Hazardous Waste at:

288 North 1460 West  
Salt Lake City, Utah 84114-4880

You are required to contact the Department of Environmental Quality (DEQ), Emergency Response Section (ERS) at the Sections 24-hour response number (801-536-4123) immediately of a spill or discharge of hazardous substances.

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please notify this office upon completion of operations and reclamation so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Rody Cox at (801) 743-6811. Thank you for submitting your notice.

Sincerely,

Rex Rowley  
Area Manager
